

> Can you spot the difference?

Traditional wooden Honour Board

Digital Honour Board

> Make space by switching to a Digital Honour Board

The perfect solution for Clubs, Schools, Colleges and Universities Corporates and Foyers.

> How many traditional boards can fit into a digital honour board?

As many as you like, 1000 names can scroll in less than 20 minutes.

> What do we need to supply?

Honour roll list in Excel/Word or a photograph of each board which we then transcribe.

> Can we include photos and logos?

Yes, both logos and photos can be added to the board.

> Can we use our own screen?

Yes, as long as it has a USB input and can play back media files.

> How do we update?

Send us the new names and we send you an updated file for a small charge.

FAMILY

RESPECT

DISCIPLINE

The club is over the moon with our new digital honor board. We now have so much more space and members and visitors are very impressed with both the presentation and the amount of space we have for other purposes. We can now simply digitally update annually. We have no hesitation in recommending Craig and his team for this innovative product.

Rick Brockwell
Sponsorship and Marketing Manager

The Banyule Bears are proudly sponsored and supported by...

Hervey Bay & District **Tennis** Association

79 Colyton Street, Torquay 4655

ABN: 38 931 526 283

The Hervey Bay Tennis Association renovated its Club House back in 2015. Our Committee and Members were looking for a solution as to what we were going to do with our 5 honour boards due to the lack of wall space.

Craig Burnard from Instorevision had sent the Club an email regarding Digital Honour Boards for Clubs in our predicament. I contacted Craig and within 3 weeks we had our New Digital Honour Board installed with all 5 old boards information now on 1 which we get updated after our Annual Meeting each year.

Many of our visiting Members from other Clubs have commented on how impressed they are with the current board and asked for Craigs contact information.

I would recommend all Clubs looking to free up its Clubhouse wall space to contact Craig from Instorevision for a solution.

Regards

Geoff Arnell

I would like to share our positive experience we had with Craig and his team at Instorevision.

Like many clubs, wall space for the display of honour boards was a problem for us. This meant we needed an innovative solution. Craig and his team were able to seamlessly design a solution that met our brief.

Craig was very professional in handling our enquiries and his communication was first class.

The Parkdale Bowling Club is extremely pleased with the end result.

I have no hesitation in recommending Instorevision for any club considering a digital honour board solution.

Greg Woods
Secretary

To Whom It May Concern,

The College has recently had the pleasure of working with Craig to produce a Digital Honour Board for our Reception area.

Craig and his team at Instorevision reproduced a digital form of our original board using photographs, and the result is spectacular.

The process was made very easy from start to finish and the Honour Board is very user friendly.

I highly recommend Instorevision for any project of this nature.

Kind regards,

Victor Bradbury
ICT Manager.

President: Dean Turner Secretary: Craig Stevens Treasurer: Craig Ladd

Our club had the pleasure of working with Craig at Instorevision in reproducing our 161 year history in digital format. Like most clubs we struggle with wall space and Craig's solution has enabled us to consolidate all that history into a simple effective slideshow. Craig was very accommodating and easy to work with. The end result was delivered in just a few days. We could not be happier!

Dean Turner
President Heidelberg Cricket Club.

THE SURF CLUB
MOOLOOLABA

Thank you Instorevision!

We couldn't be happier with our new digital honour boards.

Mooloolaba Surf Life Saving Clubs 100th year celebration is fast approaching and wall space to share our history, success, Surf Life Savers etc. with our Members and Guests is something we didn't have much of.

Craig and his team had the innovative solution we were looking for - move from print to digital. The process across to digital was seamless, our design brief was met and now we have all our data in a format which can easily be updated each year.

We have no hesitation in recommending Instorevision for any Club considering a digital honour board solution.

After researching several companies for the installation of digital Honour Boards NBC Sports Club fortunately made the decision to employ Craig Burnard and his team at Instorevision

Not only was this decision by far the most cost effective but the works that were completed were seamless and professional.

Craig and his team provided timely communications at all times and even with the very large size of our Data base that was provided the turnaround time was outstanding.

The ends result was a traditional style looking digital honour board that has saved us on space and received many compliments from our Members.

I would have no hesitation in recommending Instorevision for any Club considering an affordable and professional digital honour board solution, we could not be happier!
